

ZINE-MAKING MATERIALS

WHERE TO FIND ZINES

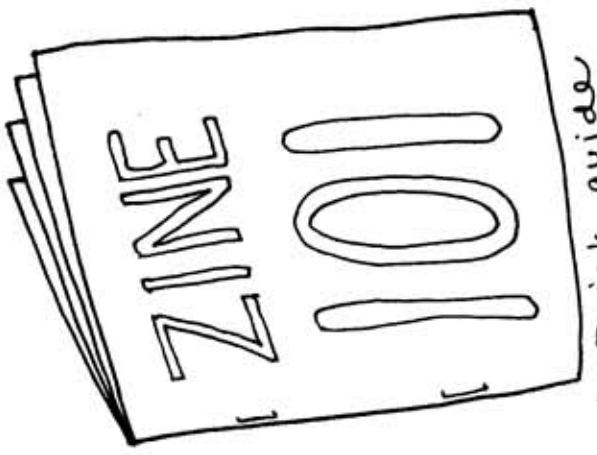

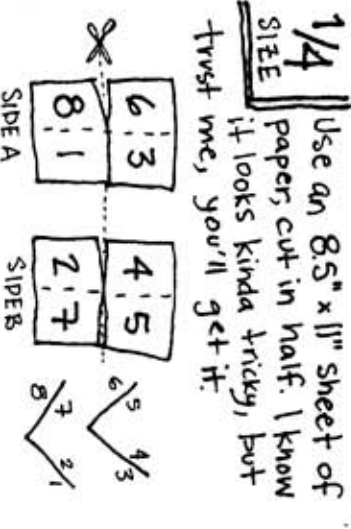

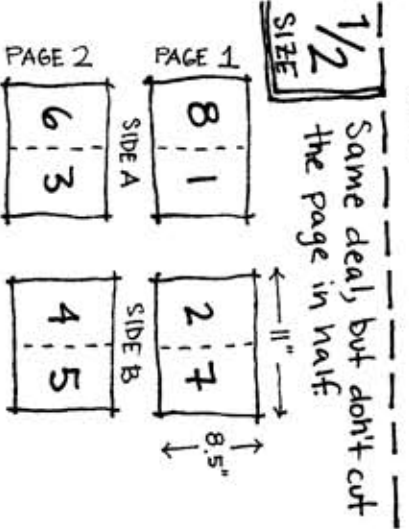

- **DISTROS** are small operations that distribute zines, often by online shop or mail order.
- **ZINEFESTS** are conventions for zinesters & zine readers. Check out the DCZinefest this summer!
- **INFOSHOPS**, radical spaces, and really, really good bookstores often have zines.
- **ZINESTERS** often have Etsy shops, or can be contacted by mail or email.
- **MAKE YOUR OWN!**

WHAT'S A ZINE?

Short for "magazine", zines are self-published books or pamphlets that are often shared, traded, or sold for a small cost. People write zines about politics, social justice, art, comics, personal stories ("perzines"), music, DIY, poetry, stories, cats, pizza, or whatever captures the zinester's interests.
